MONTCLAIR ACADEMY.

MONTCLAIR, N. J., May 8.—The Rev. Montelair Academy here prior to his public meeting on Wednesday Purpose of an Education." In a hoarse voice and quiet manner Mr. Sunday got

BARNARD SCHOOL OF HOUSEmany laughs, and left the assembly hall amidst such cheering as a big game sets. Some of the striking things Sunday said are: "My father died before I was born. At the age of 6 I started out to earn my own living. I applied to be janitor of a public school in a Western town. There I learned to do common things in an uncommon way."

And after much enthusiasm, as he was leaving, he said: "If I had the church members lined up like you boys I'd be all right."

Edward T. Kenney of Caldwell, N. J., for the graduate council addressed the upper school on Tuesday telling of the school. Though the graduate council is but lately formed it is made up of active and able alumni whose very names are an earnest of success for anything street, New York city.

Sheridan's Commedy the Ratals Was with the Ratals Was and to learned societies, all of whom will be asked to send delegates; to the former professors of the college. All these guests are to be entertained on the campus and former professors of the college. All these guests are to be entertained on the campus and three halls probably will be devoted to this purpose—Davison, Lathrop and Jesselyn.

The rehearsals for the student pageant are soing on rapidly under the direction of Mary Campbell Monroe, director of dramatic art in the Barnard School of Household Arts, which is located at 226 West Seventy-ninth street, New York city. was born. At the age of 6 I started

school. Though the graduate council is but lately formed it is made up of ac-tive and able alumni whose very names are an earnest of success for anything which they set themselves. In recognition of the splendid work of the basketball team, whose season was marred by a final defeat only, the as inarred by a final deleat only the association gave this week gold baskethalls to the following men: Rudolph Deetjen, captain; Pierre Le Brun, Walter Radford, all of this city; Homer Hazel of Litchfield, Mich. and W. W. Hazel of Litchfield, Mich. and Scudder of Glastonbury, Conn.

OBERLIN COLLEGE.

Carrying on a very interesting study of the pupil in danger of falling behind in his work. Under the system inaugurated by Dean Cole the faculty report to the registrar's office early in the first sem-ester the names of all students in all classes who are failing in one subject classes who are failing in one subject or who seem in danger of failing. Dean Cole then calls in for personal conference all who are so reported and places them on probation for a definite period. them on probation for a definite period. At the close of the semester a second similar report is filed. Dean Cole once more meets personally all students so listed, reduces the work of some, advises others to change their schedule and suggests to others that it would be better for them to withdraw from the institution. In the second semester the same method is followed, so that each student of the thousand at present enrolled in the College of Arts and Sciences is receiving individual suand Sciences is receiving individual su-

Recent statistics based upon carrying out this plan show that in one semester, when 1,001 students were enrolled in the College of Arts and Sciences, of those reported as falling or in danger of failing, 112 were conditioned in one course,

general undertaking by the Oberlin fac-uity to give to every student the great-est possible amount of personal help consistent with the management of a college department of approximately one thousand undergraduates.

WILLISTON SEMINARY.

Following the announcement jected plans for new buildings at Willis-ton Seminary, Easthampton, Mass., there ton Seminary, Easthampton, Mass., there has been much interesting comment on a possible change of location for some of the school buildings, as the seminary owns considerable real estate in Easthampton, and it has with the years become very valuable. It is expected that ground will be broken for a new dormitory within the years.

Things are going well this term, and the good work of the classroom is balanced with the fine spirit of sportsmanship pervading the teams. The victory over Yale freshmen in baseball has been followed by other successes, and much interest centres in the invitation track meet to be run off early in June. The meet to be run off early in June. The meet being something additional to the regular schedule of student activities, it scriptions, the students welcoming the opportunity to extend the school's hospitality to neighboring institutions.
